***Allowable Subject Matter***

Claims 1-9 and 11-19 are allowed.

The following is an examiner's statement of reasons for allowance:

Prior arts fail to disclose receiving a user profile for the user at the network device from a AAA server, the user profile containing information regarding which commands the user is authorized to execute, the information including a command set described by regular expressions.

The closest prior art of record, Worth, patent No. 5,881,225, discloses allowing access based on comparing the "privilege word" assigned to the user for the duration of the session, based on his/her login role: user, group, or public. "privilege word" is defined for resources such as files and directories, which is not the same as Applicant's user profile including a command set described by regular expressions.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Arezoo Sherkat whose telephone number is (571) 272-3796. The examiner can normally be reached on 8:00-4:30 Monday-Friday.
